
HAMMERTIME IS 'DIVINE'

LET US say "SOLD" for YOU!

What an event was held in Columbus, Oh on Friday, December 6th! That's the day the Hammetime Team, Henry M. Stanley, III and Stanley & Son, Inc. sold the assets of a major telephone tower construction

contractor: Divine Tower International Corp. Buyers attended the auction from the following 14 states: Arizona, Florida, Michigan, Kentucky, Georgia, Indiana, Illinois, Virginia, Missouri, New York, W. Virginia, Wisconsin, Oklahoma & Ohio. **The real estate sold for \$1,000,000** and the auction of the inventory was finished at approx. 8:30 p.m. It's a great feeling when at the end of a long day the Sellers say 'You did a great job', 'Sure glad we had you working for us' and 'We never dreamed we get so much money'. Well, I credit those compliments to having such great people on the Hammetime Team. Our experience and knowledge is an asset that we feel is the foundation to our business. Thanks to Jay Fannin, John Stewart, Red Mendenhall, Roger Smith, Ned & Lisa Wellman, Mitch Riffle, Elaine Mitchell & Thelma Tomastik. A great job by Rodney Cartwright for pre-auction organization and to the lady who has helped make all our auctions so successful, my wife Amy Stanley.
